International Finance Centre (Editor's Award) Malta – The Ministry for the Economy,  
Investment and Small Business

**CEO Stephen Harris**

*“This IFC has decisively risen to the challenge of pushing itself forward as a friendly and efficient place in which to do business, innovating on a number of fronts such as with its **Family Business Act legislation** that became law this year.*

*This jurisdiction is trying hard to have diverse offerings, giving it flexibility in an uncertain world.”*
